	Flood control and damage mitigation
	Environmental education and community-stakeholder outreach
	Water supply assessment and protection
	Contaminated site assessment, remediation and redevelopment
	Urban and landscape ecology of the Passaic River Basin

Abstract and Author Information:

- Use Times New Roman, 12 pt. font.
- The title should be in bold and is limited to 255 characters (excluding spaces; about 15 words). Place a comma before the word "and" in a series.
- Enter the authors' names using all capital letters. Do not add punctuation at the end of the list of names. Each author's name must include a number in parentheses to correspond with the number for her/his mailing address. An asterisk (*) must immediately follow the name of the speaker or poster presenter. Place a number in parentheses after the corresponding author and enter "email of corresponding author:" as shown in the example below.
- Send the Abstract Submission Information and the Abstract page together as a 2-page Word (.doc or .docx) file attachment to Dr. Meiyin Wu, Passaic River Institute Chair (pri@mail.montclair.edu) **by 5:00 pm on August 17, 2012**. Type "Passaic River Symposium Abstract" in the subject line of the email. You will be notified of receipt right away, using the e-mail address entered on the submission form.
- Notification of acceptance will occur by September 7, 2012, using the e-mail address entered on the submission form.
